ANNOUNCEMENT FROM: JOHN J. CARLISLE

President, Etna Township Board of Trustees

I am pleased to inform you that the Etna Township Trustees unanimously approved paying for your trash pick-up for October, November, and December 2017.

The Amazon site is in the JEDZ 2 (Joint Economic Development Zone 2). The Board of Trustees conservatively budgeted \$240,000 in annual revenue from the JEDZ 2 site. The first quarter payment from the JEDZ 2 was in excess of \$171,000. With your continued support, and approving the JEDZ 2, I felt that it was incumbent upon us to give back to as many of the residents as we could. The cost of the trash pick-up for every residential Rumpke subscriber for the last quarter of the year is \$131,000. I would like to thank you, and ask you for your continued support, patience, and understanding as a lot of construction is taking place in our Township. Our Board is committed to keeping Etna great and to provide you with the services that you have come to enjoy.
