Zoning Report

Chris Harkness discussed an applicant that needs to modify their conditional use permit. Do the Trustees feel a fee needs to be imposed to re-hear the conditional use permit? The property is at the corner of State Route 40 and York Road. The conditional use permit is for the field for the flag football. They want to move to location of the field. They are a for profit company. The Trustees agreed they should have to pay the fee for the conditional use permit. The cost to the township is the same for the permit as it was for the first permit.

This is a replacement levy. 3/5 for the text books, 1/5 for the purchase of land for a school site, and 1/5 for the Ohio School Facility fund. This will have an increase on the 2.8 mil which is 10 cents a day for a hundred thousand home. This is not for a new school. They are seeing stabilization on their enrollment because of the economy and residents have moved out of the district.
