Old Business

Rob Platte reviewed the electric and gas aggregation proposals from Trebel, Buckeye, and Independent Energy Consultants. The services provided were very similar between the companies. The request in the contract for an automatic renewal would be removed because of a recommendation of legal counsel. Rob Platte prepared two resolutions that were reviewed by the Prosecutor's Office that give him authorization to enter into contracts. Rob Platte has contacted local entities who also have interest in aggregation. He recommends waiting to meet with the entities to possible do this jointly. The benefits of doing this jointly could give you strength in numbers. It would be estimated at 12 thousand residents. Trebel has thirteen township's with estimated 33,670 plus going to ballot in November. The administration fees with IEC is one fourth of Trebel. The fee for electric is 2 mil/kwh with Trebel, 1 mil/kwh with Buckeye, and 1/2 mil/kwh with IEC. The fee would be five dollars per year per household. Scott Belcastro stated that every program they have done they have received the highest discounted rate or the lowest rate period. The other money goes back to the suppliers. The average total savings is \$150 to \$220 dollars per year per household. Rob Platte has spoke with Mark VanBuren, Harrison Township; Trustee Endsley, Jersey Township; and the City of Pataskala. Trustee Foor stated the Trustees are not making this decision but allowing the voters of Etna Township decide.

Resolution 14-08-05-02: Trustee Foor moved "Resolution authorizing all actions necessary to effect a governmental electricity aggregation program with opt-out provisions pursuant to section 4928.20, Ohio Revised Code, directing the Licking County Board of Elections to submit a ballot question to the electors and authorizing the execution of an agreement with Trebel LLC for such purposes". The motion was seconded by Trustee Johnson. Discussion: On page two of the resolution Trebel LLC would be added to the blank areas in Section 2 and 3. Rob Platte noted a few changes that will need to be made per the Prosecutor's Office and this resolution will authorize Rob Platte to execute and deliver a brokerage agreement. One change is the automatic renewal. The Trustees would like to be made aware of the changes prior to Rob Platte executing the agreement. Rob Platte will bring a final contract back to the Board of Trustees. The ballot language needs to be filed with the Board of Elections tomorrow. The motion passed by unanimous affirmative vote.

Resolution 14-08-05-03: Trustee Foor moved "Resolution authorizing all actions necessary to effect a governmental natural gas aggregation program with opt-ou provisions pursuant to section 4929-26, Ohio Revised Code, directing the Licking County Board of Elections to submit a ballot question to the electors and authorizing the execution of an agreement with Trebel LLC for such purposes. The motion was seconded by Trustee Johnson. Discussion: Trebel LLC will be added in the blanks for this resolution and Rob Platte will bring the Trustees a final contract. The motion passed by unanimous affirmative vote.
