Announcements & Comments -

Trent Stepp discussed an issue with 6th Avenue in Mayflower addition that Chris Harkness would like the Zoning Commission to review. Trent Stepp reported on the vacancy on the Trustee board.

Bill Young moved to waive the public reading and to approve the minutes from the October 7th, 2009 meeting. Randy Snider seconded and the motion passed without objection.

New Business

Steven Dougherty was in attendance to report on the circumstances on his request to vacate a portion of 6th Avenue. There is a concern with road frontage. Brad Mercer with Licking County Planning Commission provided a summary of this issue.

The Zoning Commission after discussion interprets this property to currently be a non-conforming lot with frontage on the west side. If 6th Avenue is vacated the property would still be non-conforming with frontage on the south side. Trent Stepp will prepare letter to Chris Harkness.

The Zoning Commission reconvened at 8:30 p.m.
