ODOT to hold public meeting regarding Pike Street roadway improvements

Project proposes improvements for Pike Street in Licking County

ETNA, Ohio (Sunday, September 29, 2024) - The Ohio Department of Transportation (ODOT) District 5 invites the public to a meeting regarding a proposed project that will improve the safety of Pike Street in Licking County.

The meeting will be held Tuesday, October 29, from 6-7:30 p.m., at the Etna Township Hall, 81 Liberty Street, Etna, Ohio 43018.

ODOT is proposing the project to widen the roadway, improve safety, and pedestrian access. Verdantas Consulting Engineers, LLC, serves as ODOT's consultant on the project.

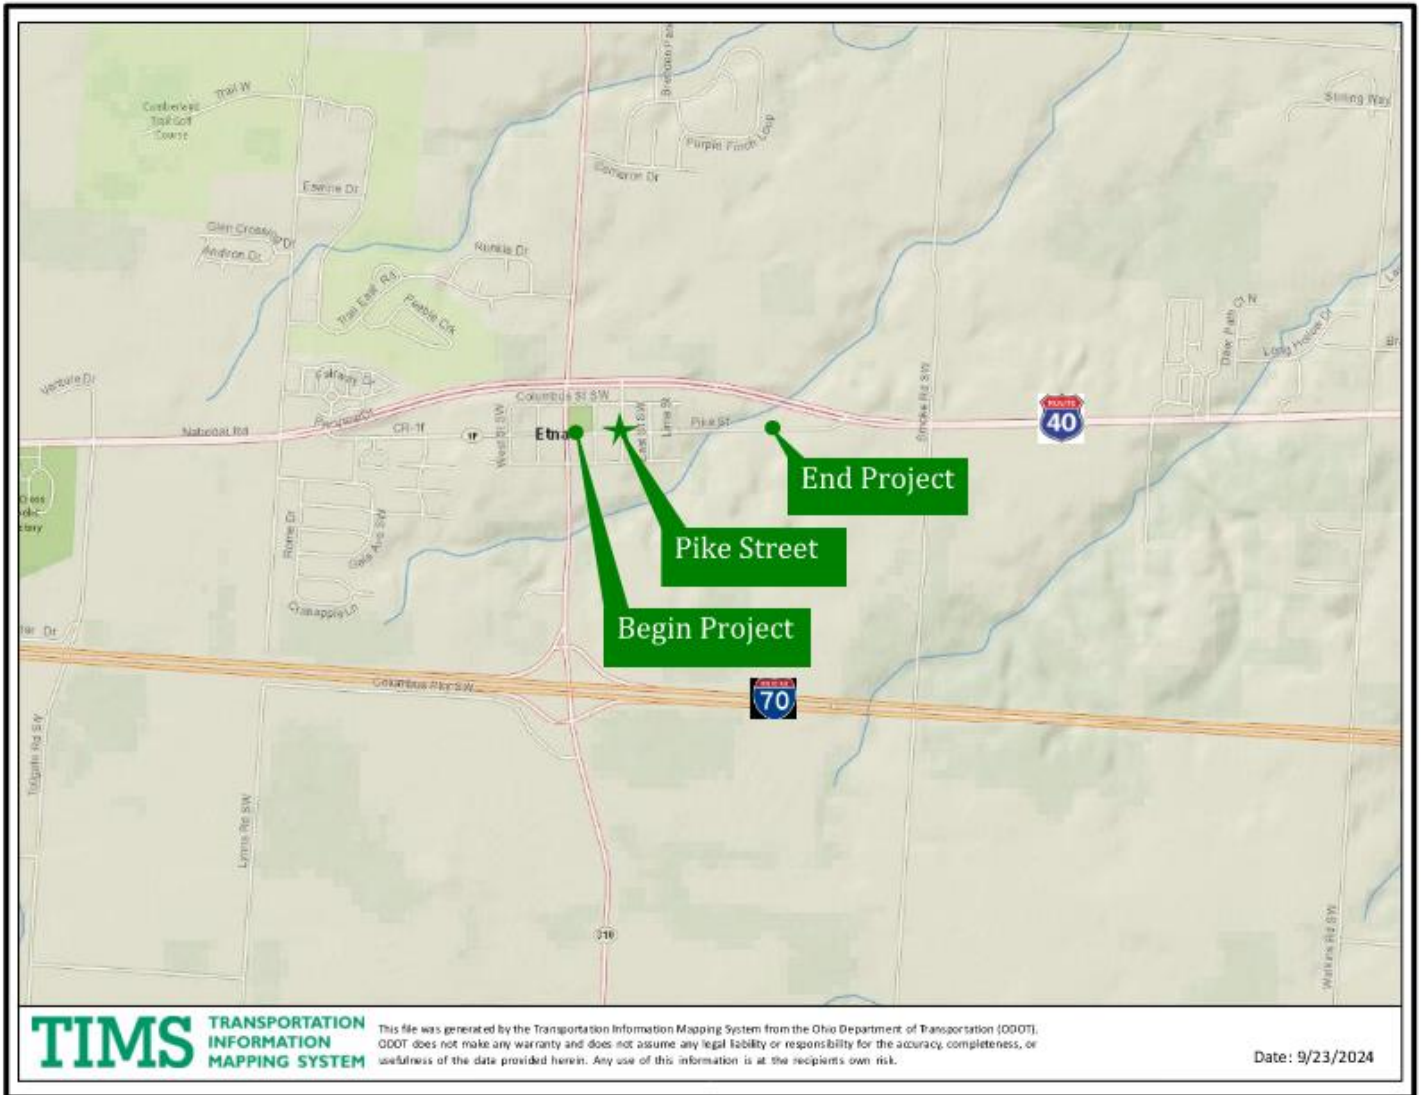

Roadway reconstruction of Pike Street (TR 1135) from just east of SR 310 to Etna United Methodist Church. Work to include improved roadway with sidewalk and shared use path along with drainage, lighting and crosswalks. Pedestrian facilities to be installed as part of the project scope.

Construction is tentatively scheduled for 2026. For complete project details, visit the website: www.transportation.ohio.gov/wps/portal/gov/odot/projects/projects/119487.

The public is asked to attend the meeting and provide feedback regarding the proposed project. Comments regarding the project may be submitted at the meeting, on the PID 119487 website through the comment submittal form, or by direct contact at the number below. Comments received by Nov. 19, 2024, will be included in the official project documentation, but all comments will be accepted at any time.

Individuals who require interpretation services or a reasonable accommodation to attend the meeting or provide comments are asked to contact ODOT at the number below prior to October 22. Public participation in this project is solicited without regard to race, color, sex, age, national origin or disability.

Questions or comments regarding the project may be directed to Benjamin Boyer, project manager, at (740) 323-5111, or by email at benjamin.boyer@dot.ohio.gov.
